

**Agreements**  
**Seed Stock Producers and Surveillance Testing**

(Check One or Both)

**Ram Lamb Testing Agreement for Seed Stock Producers**

I certify that I am a seed stock producer. In consideration for genotype (codon 171) testing of up to 100 ram lambs, I agree that all ram lambs that test QQ at codon 171 will be:

1. Castrated as a lamb **or**
2. Slaughtered as a lamb **or**
3. Exclusively used as "terminal sire"; all offspring will be slaughtered as lambs

**Surveillance/Certification Testing Agreement for Rams/Ewes**

In exchange for genetic testing (codon 171) testing of up to 75 rams/ewes, I agree to all of the following terms:

1. All sheep that test QQ will be made available for scrapie lid testing
2. I will use these genotyping results to augment scrapie resistance in my flock and will notify prospective purchasers (breeders) of the genetic test results
