### **Update on Brucellosis in Park County**

The Wyoming Assistant State Veterinarian Bob Meyer and Director Jim Schwartz will be hosting a public meeting to discuss updates on Brucellosis and the situation in Park County. The meeting is scheduled for 6:30 P.M on Tuesday, November 30, 2010 at the Meeteetse Conservation District Office at 910 Park Avenue in Meeteetse. Some of the topics that will be discussed are the updates on results of the herd testing, activities related to elk, and updates from USDA APHIS related to impacts on State Brucellosis Status. For further information please contact Wyoming Livestock Board.
