

Application for Veterinary Loan Repayment

I _____ am applying for veterinary educational loan assistance from the State of Wyoming and the Wyoming Livestock Board pursuant to W. S. 11-18-119(b). This application is due May 1, 2012.

I will practice ____% food animal medicine in the town of _____. This percentage must be 25%, 50%, 75% or 100%. These percentages are subject to verification by the Wyoming Livestock Board.

The Wyoming Livestock Board has designated the entire State as being underserved as far as food animal veterinarians are concerned and will consider all applications for food animal service.

I have current educational loans pertaining to my veterinary education in the amount of _____. These loans are to be paid to _____. Please list other sources of veterinary education loan repayment that you have received or will receive. _____ All figures are subject to verification by the Wyoming Livestock Board. These documents are to be used by the Board for selection purposes only and will be held confidentially.

- Please provide documentation of these loans
- The contract is for three years, but application information will be verified yearly as to sponsor, % of food animal and loan payments.

My sponsor, _____ agrees to pay 25% of my grant for veterinary loan repayment. This amount will be paid to the Wyoming Livestock Board before any funds will be distributed to the grantee.

Upon acceptance by the Wyoming Livestock Board and completion of a valid contract, six (6) months must elapse before any funds will be distributed.

The following amounts will be paid if the applicant is successful. These figures are for each year, up to 3 years.

- 25% food animal practice \$7500.00 ----\$5625.00 State----\$1875 sponsor
