

The Wyoming Livestock Board will be offering Trichomoniasis Certification training via a Zoom webinar on December 1, 2022 at 5:00 PM. Please allow approximately 2 hours for this training. All veterinarians who perform trichomoniasis testing on bulls in the state of Wyoming are required to be trichomoniasis certified by the Wyoming Livestock Board, and recertification is required every 5 years. The invite details are below:

You are invited to a Zoom webinar

When: Dec 1, 2022 05:00 PM Mountain Time (US and Canada)

Topic: Trichomoniasis Certification

Register in advance for this webinar:

https://us02web.zoom.us/webinar/register/WN_0RBZTybESqCgR-kC5CUUrA

After registering, you will receive a confirmation email containing information about joining the webinar. Training materials will be emailed to participants prior to the webinar.

Completion of the Trich Certification course provides 4 hours of CE.

Please contact Teckla Webb, DVM, Assistant State Field Veterinarian, with any questions at 307-286-1447 or teckla.webb@wyo.gov.
