# USDA Premise Identification Number Request for Wyoming Operations

Use this form to get a Premise Identification Number from the United States Department of Agriculture – Animal and Plant Health Inspection Service (USDA-APHIS). For details about what USDA-APHIS Premise Identification Number is, how it is used, and why you would want one, please see the description on the back of this page.

## Contact Information

<td></td>
</tr>
<tr>
<td>Alternate Contact Phone</td>
<td></td>
</tr>
<tr>
<td>Mailing Address</td>
<td></td>
</tr>
<tr>
<td>City, State, Zip</td>
<td></td>
</tr>
</tbody>
</table>

## Premise Location Information

Where is the main or central site where livestock are managed? If your operation can, and especially if it often does, maintain distinct and separate flocks or herds, you may want to consider separate premise IDs. Otherwise a single Premise ID will work even if animals are moved in the course of normal production. Please provide the physical rather than mailing address.
